April is sometimes a very rainy month, but instead of complaining why not look at the rain as God is cleaning the earth for a new planting season.

July is the vacation month for many families. If this is true for you, make good memories that will be told down through the generations.

### *July memory verse:*

*God expects us to rest—that is what Sabbath means. He also set up festivals and holidays for the Israelites. There is not a specific verse that speaks to taking a vacation but the principle is there.*

*Jesus did not take a vacation from His ministry, but He did take times of refreshing and also ensured that His disciples had the same. At a time when “so many people were coming and going that they did not even have a chance to eat,” Jesus says to His disciples, “Come with me by yourselves to a quiet place and get some rest” ([Mark 6:31](#)). Clearly, if Jesus sought time away, taking needed breaks is a good thing.*

September—school is back in session, football begins, family routines get back to ‘normal’, and we look to cooler days.

### *September Memory Verse:*

*Colossians 3:23 states, “whatever you do, work at it with all your heart, as working for the Lord “*

*The Bible shows that schedules have a spiritual significance. They help maintain discipline, purpose, and clarity in our spiritual journeys. By establishing routine prayer times, bible readings and meditation periods, one's spiritual life can be structured and grow meaningfully.*

We enter the season of Advent! We celebrate the 1st coming of Jesus, the Messiah. During Advent we reflect on:

Week 1—Hope

Week 2—Peace

Week 3—Joy

Week 4—Love

*Memory verse for December:*

*Whoever does not love does not know God, because God is love. This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins. 1 John 4.16*
