Gloria!

Come to Bethlehem and see, Him whose birth the angels sing; come adore on bended knee Christ the Lord, the newborn King! Gloria in excelsis deo! Gloria in excelsis deo!

We all know and love that song, “Angels We Have Heard on High.” The tune is great, and the words are rich with emotion and theology! We are taken back to the chorus of angels that the shepherds were blessed to see and hear. What an explosion that must have been. Watching their sheep on a normal quiet night and BOOM, the sky full of light and sound. Then joyously they go see Jesus, and as is the proper response after meeting Jesus, they go tell others about Him! The verse I referenced above, is all about worship. We are to come to Him, believing the story of the virgin birth and falling on our knees in reverence. Mary and Joseph, spoken of in the last verse as lending their aid; to the song but also to the Savior. They were there, chosen by God, to shape the life of the Son of God! What a tall order.

But the chorus...why do we sing Gloria? Many Christmas hymn writers use this word, but why? What does it mean? Gloria is a description of God’s ever enduring presence with His people, as well as to praise, to honor and to revere Him! It is also about triumph over enemies. So, when you sing “gloria,” you are praising Emmanuel, God with us, His presence, and through his presence, his triumph over sin!

This Christmas season let us sing to the Lord, Emmanuel!

Merry Christmas!
